B073

After spending the first couple decades of my life at home, I was more than ready last year to move out and try something new. I started with a new city in a distant state that truly gave me the opportunity to strike out for myself and start exploring what I really wanted. It didn't take me more than a couple of nights of lonely freedom for me to realize that I wanted some pussy.

I loaded up a couple apps just to see what kinds of chicks were in the area. The first few didn't quite catch my interest, but then I came across this tanned blonde with a piercing, sultry gaze, beautiful, luscious lips, and holding up boobs large enough to sleep on. And, without hesitation, I started to swipe right, only catching sight of the fact that she was twice my age as the app registered my pick.

I'll admit, my first reaction was to panic, which sort of doubled when she messaged me a couple minutes later. My instincts told me to hide and just pretend it was all a mistake. And my dick reminded me she was hot as hell. My dick answered the message, and before I knew it, I was set up for a date that night!

After spending like an hour trying to figure out how I was going to play this, I decided, in the end, to just be who I am and see what might happen. So, I showed up in my jeans and a simple t-shirt. And she just blew me away in a tight-fitting black club dress that showed most of her thighs and barely covered her breasts that were trying to explode out. She looked even hotter than her pictures, and we pretty much rushed through dinner before she invited me back to her place.

I accepted without hesitation and followed her to a large, gorgeous house that she seemed more than pleased with, but the tour was short as she simply led me to the couch and offered a seat. She then slid herself onto my lap, her short dress quickly riding up almost to her ass as her crotch started rubbing against me.

This was the attention my dick wanted, someone no-nonsense, experience, and hot as hell. I reached around to start unzipping the tight dress, and almost immediately, her boobs fell out, larger and more luxurious than I could've imagined. And as she started to grind against my dick that felt trapped inside my suddenly too tight jeans, I realized just how lucky I was.

She didn't keep me trapped for long, undoing my pants and lowering her enormous chest down to my crotch, rubbing my thick, throbbing meat through her vast cleavage, managing to flex her boobs over me to send extra waves of pleasure through me.

She teased me in every way imaginable, but it wasn't until I flipped her over on her couch that she opened up her legs to me fully. I pressed her back against the couch, taking a second to admire the cougar, before and

lowered myself down and into her waiting and excited pussy.

Even though she let me in, she still had control, flexing her pelvis to grab hold of my cock like she didn't want to let go. She pulled me in almost as much as I was pounding her, a hungry pussy waiting for my throbbing cock. Even then, she found ways to push me longer, keeping me right on the edge even as I felt my balls ready to explode and erupt with pleasure juice.

We moved all around her living room, from the couch to the coffee table to the shag rug in front of her large fireplace before I finally ended up pulling her back up against the couch, legs up so that I could piledrive her deep and hard. Her smile widened as I found her best spots, and as she screamed with ecstasy at the feel of my manhood roughly taking her, she finally let go of my dick enough for me to pump in everything she'd built up in me. Load after load filled her, oozing up and out over the sides of my dick and down her carpet. She reached up with her fingers, taking a huge glob that had over-

SHE TEASED ME IN EVERY WAY IMAGINABLE, BUT IT WASN'T UNTIL I FLIPPED HER OVER ON HER COUCH THAT SHE OPENED UP HER LEGS TO ME FULLY.

flowed and slid it into her mouth, savoring my juice at both ends.

Since then, while I've seen her several more times, I also started to swipe right a little more often on older women; they really know what they're doing!

THE DANCE

I've always loved to dance. It's like I get a feeling of utter euphoria as my body twists and turns with the music and rhythm. And I love showing off my moves... and my body. I'm well over 6 feet tall, with long, flowing hair, slender, flexible body with large breasts that manage to both accentuate my moves while not slowing me down. My body and moves have gotten me several men in the past, but nothing like what happened a few months ago.

It was a few days after I graduated from college, while I was on a small vacation as a reward for myself. Late one night, I found myself in a nightclub, in a tight-fitting black miniskirt and a dark, sleeveless button-down shirt. It didn't take long or many drinks to get me out onto the dance floor, and once I was on, it was mine.

I took over the show, losing myself in the music and in the feeling. My hands moved over my body, which undiluted and twisted in ways that seemed impossible while highlighting my best features. By the time I finished, a couple of the buttons on my blouse had come undone, and a small group had started to surround me. I smiled a fiery look at the men, beckoning them to join me

as I moved between each one, dancing for them all and drawing them in closer.

I loved the way their eyes bored into me, how they poured drinks into my mouth, even here on the dance floor. And it wasn't long before they were all asking me to join them. I didn't want to choose, though, so I invited them up to my room for a nightcap and... private session.

Four of us made it to the elevator, where I found myself quickly in a corner, my lips passed among the three guys as their hands found their way all over my body. By the time we got up to the floor and made our way down the obscenely long hallway, my blouse was barely hanging on, showing off my large boobs hiding behind a too-tight lace bra. I drew them inside, beckoning them with kisses and a long finger under their chins, and pushed them back on the large bed. I then stepped back and let them eye me a little while I turned on some music and started to move with the deep, sensual beat. I took my time, teasing them as I drew close and grinded against each of their laps. I let the dance lead the way, feeling how much they loved it through their pants.

Finally, one of them decided to take some charge and pulled off my bra to bury his face in my large pillows, his friends reaching around to start playing with my pointed nipples. I threw my head back, grinding his lap, pressing

I GRABBED THE SHEETS TIGHTLY AND MATCHED HIS MOVEMENTS, LETTING MY HUNGRY PUSSY SWALLOW HIS DICK WHOLE BEFORE HE PULLED OUT ALMOST ALL THE WAY...

deeper and harder until he pulled himself away. I realized that his friends pulled off their pants and were already jacking off, so I pulled back to give him a chance too.

That's when the next guy took over, guiding me back towards the bed and relieving me of my miniskirt. He had a wicked smile as he leaned over me and it wasn't long before I felt his thick, throbbing meat slide inside, sending wave after wave of pleasure surging through me. I gripped the sheets as the other two stood off to the side, jacking off and waiting their turn.

I let them worry about that, choosing instead to just lay back and enjoy it. I grabbed the sheets tightly and matched his movements, letting my hungry pussy swallow his dick whole before he pulled out almost all the way, slamming back into me quickly. I let out deep moans and cries that echoed throughout the room.

Vaguely, I felt the first guy pull out as the next took over, with hardly a pause between them. I squirmed as the guys passed me between them. For how long, I'm not sure, but they must have all gotten at least three turns before I started sensing it. They were building up and almost. Before I knew it, I was down on my knees, three enormous cocks in my face, shooting off one after the other. I licked them all, taking as much as I could as I looked up at them with cum all over my face and down my chest. Absolute ecstasy, and all from a dance.

by Cheri Huxley

Any guy who wants to plunge his pole to the hilt inside my tight snatch should be an expert at foreplay. And if he isn't, he deserves to be shown the door.

Any man who can't restrain himself for a civilized interval of maybe 15 to 30 minutes before getting it in and shooting should not be playing the mutually joyous game of sex at all. He needs lessons, and that's what I intend to give him. And I don't mean lessons involving such much publicized and admittedly pleasant routines as stroking, fondling, squeezing, finger-fucking and mouth-and-tongue mashing. If he doesn't already dig such conventional capers by now, he might as well renounce womanizing and sign in at the nearest monastery.

My own special preference for a sizzling pre-fuck warm-up, for instance, happens to be the use of love beads by the man. Love beads are a real turn-on for chicks who crave something different in sex play. My favorite love beads are those made from a thin strip of rawhide about 16 inches long, knotted at intervals of about one inch. The knots represent the "beads" and the idea is for my guy to lubricate my asshole and then gently push the string of beads right up my ass, until only a quarter of an inch of the throng for him to hold onto. A pillow placed under the small of my back gets my ass up off the mat-

tress so that at the same time as my lover is lapping my pussy and clit, he can slowly and gently pull out the love beads with one hand and fondle my tits with the other.

The sensation brought on by those rawhide love beads popping out of my tight asshole one by one, and rubbing against the supersensitive rim of my rosebud is more erotically exciting than having the longest and thickest cock in the world thrust up my cunt. However, I usually suggest that my lover uses the love beads as the very last warm-up technique before we plunge into the glorious finale of frantic fucking and copious coming. It would take me only a mere five minutes to get off by using the love-bead warm-up method alone, and I figure it's a bit unfair to expect any girl to limit her pre-fucking playtime to such a short interval. So I insist on leaving the beads for last.

But there are other, almost equally exciting, warm-up games that any lover with a dedicated dick should offer to his woman if he wants her warm, wet, and more than willing. Banging with vibrators, for instance, takes some beating. Experimenting with them can result in mind-blowing thrills unimaginable by guys and chicks who have never sampled these 21st century aids to orgasmic bliss. The penis-shaped vibrator is the most versatile for stimulating females.

A guy should use one while he is stimulating his partner's clit with his lips and tongue. He can give her extra thrills by

inserting the vibrator into her cunt and working it in and out, faster and faster, as her clit becomes swollen and more sensitive. Or he can apply it to her pubic mound, belly, and nipples while he sucks at her clit.

Yet to many women a man's strong hands are just as electrifying as a vibrator. There's something about the firm touch of masculine hands against my bare flesh that never fails to make my pussy pulse with hot desire.

I learned this from a guy named Brad. He was built like a football player and hung like a stallion. He also boasted a bristly black mustache, which he used exclusively for nuzzling my love button. He was the first to introduce me to the exquisitely erotic art of the body rub.

After massaging my nipples and breasts with scented lotion and making my nipples stand out like strawberries, he began sliding his hands up and down my sun-bronzed thighs. His hands neared my already aroused clit, moved away, moved back, touched it lightly, and then retreated to my ass cheeks and my ass-ring, only to approach my tiny passion pod again from the rear.

Brad's rubbing technique was terrific, and by the time he had finished spreading the lotion all over me and up my cunt and ass, I was hot as a pistol. Every time he touched my clit, my thighs or my boobs, my back would arch upwards, straining for his magnificent rod, which looked as long as a hammer. Then he started kissing me on my neck and lips, the lobes of my ears, my throat, nipples, belly button, thighs, pubic mound and love tunnel entrance, still rubbing that sexy perfumed oil into my expectant flesh.

What followed seemed like a dream. I was so high on sexual ecstasy and Brad's expert warm-up techniques, that

all I can remember through the mists of sheer sensual pleasure was begging him to give me his entire length right up my straining cunt, and to screw me until he had squeezed out every last drop of his hot seed.

Since then I've always encouraged my guys to include the love-lotion rub technique in their foreplay routines. In return I give it to them with a few unusual twists, like not only rubbing them with both hands but sucking their cocks with crushed ice inside my mouth, to cool them off and prolong our mutual sexual pleasure.

One foreplay variation which never fails to make me hot and ready is for me to take the standing position when my guy goes down on me. I stand with my legs apart and my hips thrust forward to make it easy for his mouth to get at my pussy. I think about my clit all the time he's sucking it with his lips or stroking it with his tongue, and I will it to come out of its hiding place and become erect.

I get my lover to kneel on a cushion before me and I ask him to take my ass cheeks in his hands and draw my cunt to his mouth. As I part the cunt lips with my fingers, he inserts his tongue and probes for my love button. Sometimes he can't find it immediately, but if he keeps trying and I keep on thinking about getting my clit erect and responsive, he soon makes red-hot contact, which makes me writhe in ecstasy.

In this open-legged, standing position I can concentrate fully on reaching my first orgasm, thrusting my hips forward in time with the pressure he applies to my butt cheeks. I also think that I can reach orgasm from clit tickling much more quickly by massaging my nipples with my fingers, while my partner is eating me. Or by holding his head firmly in my hands and guiding his searching, teasing tongue to the right spot.

the art of kinky foreplay

Horny women like me often find that mirrors, strategically placed to reflect foreplay, help to boost the thrills of naked lust. While grooving in front of the glass I love to admire my man's muscular magnificence and his flattering hard-on as he stokes my sex. I like to see the ecstatic look on his face reflected in mirrors as I stroke his cock and gently knead his balls.

Couples who want foreplay in different and more exotic positions than the man-on-top are able to adjust their contortions and contact points by watching their movements in mirrors. Many couples, who fuck in way-out positions, can see and study themselves with the aid of mirrors. Mutual adjustments, a kind of sexual fine-tuning, can be made and a more thrilling build-up achieved.

As a woman, I know that females often enjoy the mirroring of sex play and fucking more than guys because they tend to be exhibitionists. The uninhibited flaunting of their sexual assets on stage and screen is positive proof of this. There is never any shortage of strippers.

Sexy foreplay enriches my sexual enjoyment and helps me to get turned on to tantric fuckplay. Raunchy rock with a beat and lyrics that imitate the writhing and gasps of orgasmic ecstasy can't fail to intensify sexual desire and enjoyment. Music is a mood-setter and foreplay with music in the background that closely imitates the sensual rhythms of mating is a delightful experience. To find music which is suited to your woman and her moods means getting to know her favorites.

Certain movements of classical music are always good for straight kissing and fondling. Stravinsky's ballets, combining violent rhythms and tender melodies, are sensuous sounds which can't fail to enhance sex thrills. Ravel's "Bolero" has been the favorite screwing choice of thousands of couples for

many years. Its slow, sinuous, insistent beat rising to a pounding crescendo is an ideal accompaniment to finger-fucking.

Varying the locale where you plunge into foreplay is a good thing for women who may have become slightly bored with repetitions. Soaping up your partner's luscious, gleaming, naked body under a warm shower, for instance, not only excites her sexually but also make a guy's dick treble its length and thickness in three seconds flat. Nipples stand out invitingly; breasts jiggle and enfold; lips pressed around penis heads are luscious and wet; roving hands acquire heightened sensitivity. As for prick penetration, that tends to be as smooth as silk and the lubrication wonderful.

Similarly, hot soapy water on nude female bodies in the bath can impart unique sex sensations. Tight assholes and shy clits become much more amenable to playful fingers and dicks. Rear-end screwing with the ass submerged becomes delightfully easy, and pussy-eating sublime.

Some unusual sexual locales you might want to try include rowboats and canoes for the plunging and swaying sensations of foreplay. Amusement park guides say a boat rides through some of the dark "scary lands" and love tunnels are the most erotically stimulating rides of all. Couples often come out of them still hammering and heaving away, completely oblivious to the crowds milling around them.

Obviously the bedroom doesn't have to be the only setting for foreplay that leads to fantastic fucking. Imagination and fantasy, both important elements of satisfying foreplay, can enhance a woman's interest and enjoyment to new heights. A mutual attitude of "Wow, let's try it!" makes all the difference when a guy wants to warm up his chick and transform her into an insatiable tigress.
